COP28 UAE Visa

For UNFCCC-Registered Participants

The UAE Government has authorized an electronic, free of charge Special Entry Permit for all UNFCCC-registered COP28 UAE event attendees, also known as the COP28 UAE Visa. It is mandatory for all foreign UNFCCC-registered participants entering the UAE to apply for the COP28 UAE Visa, prior to arrival, using the visa application link within the UNFCCC registration confirmation email.

- Once you receive your UNFCCC registration confirmation email, visit the visa portal using the link within that e-mail,
- On the portal, enter your UNFCCC code, fill out the form, upload required documents and submit visa application,
- To facilitate a seamless visa issuance process, it is imperative to provide all the required information including UNFCCC registration code on the visa application portal,
- Once your application is approved, you will receive an email with a link to download your COP28 UAE Visa. Issued visa allows holder a single-entry visit into the UAE,
- Processing of the COP28 UAE Visa application may take up to 72 hours after submission,
- Participants are therefore strongly encouraged to take the necessary steps to apply, as soon as their UNFCCC registration is confirmed,
- Visa application status can be checked using the link within UNFCCC registration confirmation e-mail,
- All foreign participants entering the United Arab Emirates (UAE) must have original nationality passport valid for minimum 6 months from date of entry into the UAE,
- Should any participant wish to leave the UAE and return during COP28 UAE, they must re-apply for COP28 UAE visa following the same process as previously, using UNFCCC registration code. Please note, applicant can apply only after exiting the UAE.
- All enquiries regarding visa arrangements should be addressed directly to visas@unfccc.int.

Photograph quality

Suitable quality and resolution of the captured images are imperative, so the following tips must be observed

The photographs must be:

- no more than -6months old
- 40-35mm in width
- close up of your head and top of your shoulders so that your face takes up %80-70 of the photograph
- in sharp focus and clear
- of high quality with no ink marks or creases

The photographs must:

- show you looking directly at the camera
 - show your skin tones naturally
 - have appropriate brightness and contrast
 - be printed on high quality paper, and at high resolution
- Photographs taken with a digital camera must be high quality colour and printed on photo-quality paper.

Style and lighting

Suitable quality and resolution of the captured images are imperative, so the following tips must be observed

The photographs must:

- be colour neutral
- show your eyes open and clearly visible—no hair across your eyes
- show you facing square on to the camera, not looking over one shoulder (portrait style) or tilted, and showing both edges of your face clearly
- be taken with a plain light-coloured background
- be taken with uniform lighting and not show shadows or flash reflections on your face and no red eye

Glasses and head covers

Suitable quality and resolution of the captured images are imperative, so the following tips must be observed

If you wear glasses:

- the photograph must show your eyes clearly with no flash reflection off the glasses, and no tinted lenses (if possible, avoid heavy frames—wear lighter framed glasses if you have them)
- make sure that the frames do not cover any part of your eyes.

Head coverings:

- are not permitted except for religious reasons, but your facial features from bottom of chin to top of forehead and both edges of your face must be clearly shown.

Expression and frame

Your photographs must:

- show you alone (no chair backs, toys or other people visible), looking at the camera with a neutral expression and your mouth closed.
